Workstations

STYLE THAT PERFORMS

Accelerate combines style, selection and quality construction to provide unparalleled value. Design features include thin profile glass panels, personal storage elements and a variety of worksurface options, all working together to provide value for years to come. Add in the confidence you'll receive from the HON Full Lifetime Warranty, and it's easy to see how Accelerate will quickly become one of your most valuable assets.

PERSONALIZE YOUR SPACE

Accelerate is designed to work in a wide variety of spaces and support different work styles. Choose the elements you want to create a space that suits your individual needs.

PANELS

Designed with a clean, minimal appearance, the clear, frosted, or frameless glass and tackable or non-tackable fabric panel stackers deliver privacy while providing access to natural light.

WORKSURFACES

Worksurfaces are available in a variety of shapes and sizes to support countless configurations, and are available with scallops at no upcharge to provide easy access to wiring.

TECHNOLOGY

Metal base rail supports quick access to data and power and keeps networking neatly concealed and organized.

TRIM

Top cap, end cap and base rail trim support a clean design aesthetic.
