FLOCK®
Collaborative Solutions

MORE VERSATILE. MORE COLLABORATIVE.

Flock brings people and ideas together, and now it delivers even greater functionality and design flexibility. This versatile collection of collaborative solutions has expanded its offering to include casual seating and seated height tables to further enhance productivity, wherever work gets done. Each element works seamlessly with the rest of the Flock family to increase comfort and functionality, maximize layout possibilities, and make a stylish statement.

MORE POSSIBILITIES

From welcoming and community spaces to collaborative hubs and nooks, Flock's selection of casual seating and seated height tables offer more planning options for any size space.

CASUAL GUEST CHAIR

Designed for active interaction, featuring a slightly more vertical back angle and a shorter, narrower seat to promote upright sitting

CASUAL LOUNGE CHAIR

Designed for informal environments, with a slightly more reclined back angle and a deeper, wider seat for a relaxed posture
