by HON color palette

## YOUR ADDRESS FOR STYLE AND SOPHISTICATION

There's a reason classics never go out of style. Pennsylvania Avenue is one of those time-honored, traditional offerings that looks just as inviting today as ever before. The sophisticated styling is evident in every aspect, and starts with the hand-selected wood veneer, which is burnished to a rich, warm Mahogany finish. The style is distinguishable from a single glance, but the ongoing value is in the complete selection of desking components, storage, and office essentials that allow you to customize an office that suits both your work style and budget.

## NO DETAILS OVERLOOKED -

The true character of this collection is found in the finishing touches, such as brass handles, traditional edge profiles and hand-applied decorative moldings. These time-tested characteristics are backed by the HON Full Lifetime Warranty, combining classic design and quality construction to last a lifetime.

# A PLACE FOR EVERYTHING

Pennsylvania Avenue offers a variety of ways to help you stay organized and maintain a clean environment. Whether tidying up the reception area or keeping client files discreetly tucked away in a private office, you can customize the storage solutions that meet your needs. From credenzas and stack-on storage to bookcases and lateral files, Pennsylvania Avenue puts everything neatly in its place.
