Solve[®]

TOTALLY COOL. COMPLETELY YOU.

If you want to make a powerful statement, simply have a seat. Solve's geometric ReActiv back creates a contemporary look, while the ilira-stretch mesh back is a great choice for a softer, more relaxed feel. Add upholstery in a variety of colors to match your selection to your workplace vision. Optional arms and lumbar support put the power of customization back in your hands.

A-C. WHEREVER WORK HAPPENS
Designed to adapt to any body type, it responds to your natural movements to provide continuous comfort. This makes it feel right at home anywhere, from private offices to open, collaborative areas.

D. TOTAL CONTROL
Solve offers three synchro-tilt control options, ranging from the basic to the most advanced synchro-tilt mechanism that supports a wider range of postures.

E. ACTIVE SUPPORT
Choose from fixed, height- and width-adjustable or all-adjustable arms to enjoy customized support.

F. FINISHING TOUCH
Solve back frames are available in either Black or Titanium to match any aesthetic.

G-I. UPHOLSTERY OPTIONS
Get the look that's totally you. Start with a choice of hundreds of HON seat fabric selections. Then choose between a ilira-stretch mesh back in five different colors, ReActiv backs in Titanium or Charcoal, or add one of six fabrics to your ReActiv back for an upholstered look.

J-M. ONE HAPPY FAMILY
Optimal balance. Proper alignment. Total support. This flexible seating family gives everyone what they want from their chair, making it the one chair to fit every need.
